Dear old Warner,

I feel  
sorry for you and Min  
for I know you have a  
hard time with Sall et al.  
I wish I were there to help  
you. But I cannot  
and at a while I am away.  
Say, give my love to Sall  
and Doll. Say, I want  
you to raise some hogs,  
see Aunt Martha or someone,  
consult Papa and do not buy  
a single pig unless you get a  
barrow. Or you might put  
some on the cow lot.

to you make money  
your investment.

Say, why havent you told  
me something about my  
Wash girl either, something to  
suit me or not to suit me,  
either is better than nothing.  
If it is all right give her my  
love and tell her I think of  
her always but if it is not  
do not tell her anything. Tell me if  
she has an other fellow in them an.  
She ought to have, I just wanted to know,  
Mrs. could tell you maybe if you  
don't know.

Wish I could write more,  
but I can't. Loving you and  
Mary H. Warner
