

Dallas, Tex -
June 16th 1888

My Darling:-

Your letter of the
7th rec'd this morning, and
you may be sure that I was
delighted to hear from my
boy - It seems like it
took the letter a long
time to come, you may
not get this one, but I
will write any way -

I am sorry you are not
feeling well, but hope you
will not allow yourself to
get sick - The weather is very
warm indeed, and the baby
has not been well since I came
down - She does not eat any
thing scarcely and

B. P. A. P. A.

and has fallen off very much.
I do not expect to be here
longer than tomorrow, will
go home Tuesday morning -
I think it will be a little
cooler at home but was very
^{warm} when we left - I hope it
will not be long before you
come home, for I want to see
you awfully bad - Mother is
not feeling well, says she
hasn't since she left home.
Willie is home today but is
going off tonight - Says he did not
stop to see Minard, on account
of little John's sickness - but
that Minard wrote him
he would come down to
see you any time you appoint
after the first of August.
I have sent Ada the
shoes and she will over.

\$1.65 - for them postage
included - I have not had
time to write Ada since
I have been here - Is Ada
living at Gipsy Ranch?
I had a letter from Ma this
morning, she thinks she will
be pleased if Pa can
do anything to make a
living for them - she is
so much pleased with the
class of people - but it will
take more money and dress-
ing to keep in good soci-
ety than in Detroit - I
have not heard from Charlie
in answer to my letter to him
yet - The children want to
see Papa very much in-
deed - and wish for him
so often to come home -
I have nothing much to
write but you know I want

to see my dear boy so
so much, I do not have
the same pleasure in
anything when you are away.

~~John G. is coming with~~
I thank you when I come down.

I shall not write you
any more for you
may not receive this.

With much love from
us all - your loving
wife. Lizzie D. Evans.

Regards to Cousin and
Mr. Warner -
