of the Sherman doll
Mary Emma wants to see
you might see - I want
to see to talk about mother
going off - I see you like to
see me and I want to see
with mother - I want to see
with mother - I want to see

My Darling
Roy recd your letter
this morning. glad you are all
so well. The baby is sick
again, the poor little darling
has a hard time of it -
She has two teeth and two
more nearly through -
Her teeth made her sick and
then she has had an attack
of dysentery - and this morning
has some bronchial trouble
again - She has been sick
a wk - and I have had no
chance to write you, and

- was so my Le was not so good
then every day I thought she
would be better - She is better
every way today except the
cold and Dr. Kesbit thinks
he can assist that before
it gets too strong a hold on
her - She has fallen off so
much - It has been so warm -
threatened rain last night but
it did not come - Mother has
just gotten up from a sick
spell - Will was here last week
and gave mother money to
take her to Chattanooga
so she will start Tuesday to
St. Louis as Sis Josie goes -
that is if the baby is all
right ^{mother} will not leave me
if baby is not better - I heard
through Mr. Peter that you
were waiting for Col. Smith -
I do not think you need be
uneasy about the baby - I am taking
