Dear Amon:

Just had a chat with Billy Rose about Paul going into the World's Fair. We are hoping that we can get together with Billy so that Paul can do this job.

We told him we were coming down to Fort Worth and he said he was jealous of our trip - that he loved the place and simply adored you. We also told him about the big party on March 9th, with the unveiling of your portrait and he wanted to know if the Club wouldn't loan him this portrait to use at his place during the run of the World's Fair.

He said he would insure it and would take the finest care of it, but he has an idea about it that he would like to use and would surely appreciate it if you could arrange this for him.

Of course, getting your portrait at the World's Fair looks to me like pretty big stuff. I do not know how you feel about it but do let Billy know.

See you soon.

Sincerely,

Mr. Amon Carter,
