Darling:

You're supposed to catch the heel of your riding boot on that dirty little lady and it will be much easier to get it off. I'll admit it's a little too heavy for a paper weight but mighty handy to toss at your better half if you have one.

We're going to the Coast and will be at the Palace Hotel in San Francisco until November 29th - then on to Hollywood until June. Don't fail to look us up if you get out that way.

We miss seeing you a whole lot. Lots of love from the Whitemans.

Affectionately,
