Miss M. Deakins,
Secretary to Mr. Amon Carter,
Star Telegram
Fort Worth, Texas.

Dear Miss Deakins:

When Amon was in San Francisco, I told him that I had an interest in some oil royalties in Ochiltree County and he told me that if I would send on a description of them at some time, he would check them and let me know if they were worth anything.

I am enclosing the assignment and a little map showing where they are located. Hang on to them and at some time when he is not too busy, take it up with him. When you are through with them, please return them.

We had a nice visit with Amon and we all think he looks better than we have ever seen him in all the time we have known him.

With kind regards,

Sincerely,

Margaret Whiteman

Mrs. Paul Whiteman
