Dear Mr. P. W:

When it comes to doing nice things to make your friends happy, you are always tops. Again, you have been nice enough to send me a beautiful Easter present - 4 lovely Charvet ties - and believe it or not I could not have made a better selection. I can wear all of them.

I hope you and Margaret arrived home safely, as I know you did because I had the pleasure of listening to your program which I always enjoy.

I sent Margaret some sox and I hope they arrive safely and fit the occasion.

With best wishes, I am

Sincerely,
