Dear Amon:

This time of the year the folks at Walking Horse Farm make up a big batch of "Jump-Juice", so, under separate cover the folks at Walking Horse Farm are sending the folks at Shady Oaks Farm a liberal portion of the "Jump-Juice". It isn't hard to take, but it's a little tough to get ready.

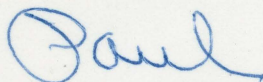

The folks at Walking Horse Farm usually fill an old tin bath tub with about 200 lbs. of ice, lay "Joe Jump-Juice" on its back, and allow it to slowly chill.

Thought the folks at Shady Oaks Farm will probably appreciate this at Thanksgiving and Christmas when all hands gather around the festive table.

Seriously Amon, Margaret and I want to thank you for the wonderful time we had with you in Fort Worth.

Margaret joins me in love to you and yours,

Sincerely,

Paul Whiteman
