Mrs. Paul Whiteman
Rosemont, New Jersey

Dear Mrs. Whiteman:

Your letter is being sent out to Mr. Carter, and I know how pleased he will be that you want a copy of his picture with Ruth's children. I am sending you the picture, and as stated, taking your letter to Mr. Carter.

I am certainly looking forward to an opportunity for a visit with you and Mr. Whiteman during our four days in Philadelphia, and to be able to tell you all the sidelights of the Fort Worth Academy of Medicine dedication, etc.

Best wishes,

Sincerely,

Secretary to A. G. Carter
