Dear Katrine:

Thanks ever so much for sending us the pictures of Ferne with the kitties. Ivy says they simply look terrific in the museum. We are happy because we know Ferne would have certainly gotten a "kick" out of it herself.

Will have to say the Carter children are doing well to have such lovely families. You know how much we approve.

Kindest regards to you and all the folks we know and our best love to Amon because we both love him very much.

Fondly,

Margaret
