Dear Aman: Your special letter came
and I got Campbell - Ed Herald - on
phone & he said he cut out of
Winchell article the reference to
Mrs Dahl. You I agree, the
skunk is a fine animal compared
to this guy - Get a clipping bureau
to gather this from everywhere
and start after them - just collect
a fortune. Thanks for the sweet
interview will try to get it
published in next Sunday's
Examiner. Did you send
copies to the various newspapers
in So Am we met? Did you
send copy to Truff. Ruhl et al?
My notes from Katal to Res which
I sent Edgar by Bob Meigs from
BA have not shown up - I wrote
my BA notes yesterday - The
stuff Edgar sent out to Para was
fine - will send you copy. I was
so tired I slept for 2 days.
Just getting rested. Heard Ed.
