Dear Amon:-

Glad to have yours of October 29th. I heard of your visit to the Century of Progress and I am not so sure but what the boys that finished it up the last night were not inspired by the examples of a very distinguished group of publishers!

I was distressed, indeed, Amon by the item concerning which somebody in your office wrote to me a little while ago, but I will deal with this more adequately when I can discuss it personally.

I hope I shall be seeing you soon.

Yours sincerely,

*Tom White*
