

30 March 1946

Dear Mr. Stone:-

I am extremely well pleased with the portrait of me which you have just completed.

My associates tell me that you have been very successful in producing a real lifelike likeness.

I am further pleased that you have been able to do this work with such a modest demand on my time for posing.

I hope the Texas Memorial Museum of Austin will like the portrait as much as I do.

With best wishes and many thanks,
I am,

Sincerely,

C. W. NIMITZ,
Fleet Admiral, U.S. Navy.
