New York City, N. Y.

Dear Mr. Graves:

On December 12th I wrote acknowledging the picture of Mr. Carter presenting Davey O'Brien to Mayor LaGuardia, which you so thoughtfully sent, and asked for two additional copies of the picture. Since writing you Mr. Carter has returned to the city and would like four more copies of the picture, in addition to the two already requested.

Again thanking you, I am

Yours very truly,

Secy. to Mr. Carter.
