Dear Miss Griffin:

Your letter of July 27th, enclosing a kodak picture of Mr. Carter taken at Botwood on the arrival of the Yankee Clipper enroute to England, has been received during his absence from the State.

Meanwhile, permit the writer to express his thanks and appreciation for your thoughtfulness in sending the picture along. Mr. Carter will be happy to add it to his scrapbook of the trip.

Yours very truly,

Secy. to Mr. Carter.
