Dear Mr. Carter.

On receiving my copy of "Life" Magazine I notice your picture appears therein, and I am wondering if you would be interested in the enclosed snapshot which I took of you at Botwood on the arrival of the Clipper enroute to England.

I trust you had an enjoyable trip and I am sure it must have been a most interesting one.

I envied you people when you took off that day, and thereupon made a resolution that when Clipper passages came within my means I too would fly to England.

Yours sincerely,

Bee Griffin
