Dear Mr. Carter:

Some time ago I sent you prints of pictures that were taken at the Huntington Hotel on the night before departure for New Zealand, together with newspaper clippings. At that time the negatives of the attached picture was turned over to the Los Angeles Times, and I was unable to secure it.

The Times has now returned this negative and thinking that you would like to have this picture for your collection I have had a print made from the negative which is enclosed.

Best regards.

Very sincerely yours,

Carl R. Anderson,
Public Relations.
