Race and Reconciliation Town Hall

"Real Relationships: How to Build Real Community"

2/24/2021
3:30 – 4:30 PM

Technical guidelines
If possible, avoid wireless connections. If you must use wifi, ensure that no one else on your router is using wifi during the Town Hall. Test your computer microphone and consider using a headset if the sound is poor. For this VTHW, **plan to keep your screen off and your video on mute** – except when you are introduced or invited to speak. We've been told to expect that this large-format Zoom may feel quite different from garden-variety Zoom meetings or class sessions, as none of us will be able to see faces or know the names of those who are in the audience.
