Fort Worth, Texas, March 25, 1908.

Mr. M. L. Hadley,
San Francisco, Cal.,

Dear Sir:

I take pleasure in enclosing matter relating to the Ft. Worth Telegram a paper with a larger circulation than its competitors combined in Ft. Worth. This statement is made subject to examination of the A. A. A.

At the present time we are covering north, west and southwest as the enclosed matter will prove to you and are rapidly pushing the Telegram into all parts of the state. The Telegram carries more advertising every month than any other paper published in the city of Ft. Worth. I am sending you under separate wrapper copy of the Ft. Worth Telegram of March 8th so that you may see just what it is.

Thanking you for your consideration in this matter and soliciting your business, I am,

Yours truly,
Willard E. Carpenter
Business Manager.
