Mr. Carter:

July 5, 1912

This is the song you requested me to get for you at Ad Club
Wednesday evening.

E. R. H.

I am so dry. I am so dry that I can scarcely think.

Is there a man in this here crowd that will buy just
one more drink?

Is there a man that can buy some beer

And someone buy another?

We'll stick to him thru thick and thin

And love him like a brother

Ah! Shoot.

Tune - - Auld Lang Syne.
