A. G. Carter
Star Telegram. City.

Dear Sir,
Yours of the 3rd Inst.
received enclosing check for
\$6750⁰⁰ which I am returning
herewith

Last Thursday in an offhand
way I told you I would take
150 for my Star Stock, not
thinking you would give it, &
I did not want to sell, as I
showed you plainly by trying
to leave when you wanted the
stock. "You crowded me."
I said "give me the money."
You said you did not have it
& for me to give you a chance,

FORT WORTH, TEXAS,

So I gave you till Saturday,
though you know I did not
want to sell. Saturday, Coy
told me you wanted me to
leave the Stock with him & you
would take it up Monday.
I told him "nothing doing".
Now I gave you two chances
& you took neither, so be
satisfied. Coy got my
Gas Stock the same way ^{he took me up,}
I shot my mouth off & I said
"give me the 5⁰⁰". He did it
& he got the Stock. He took up
my proposition. You took
up neither proposition, & you
have no right to complain.
Yours truly
E. D. Farmer.
