

October Twentieth,
1914.

Mr. Jas. A. Gilmore, Pres.
Federal League,
10 S. LaSalle Street,
Chicago, Ills.

Dear Mr. Gilmore:

Sometime ago on my return from the east I received annual pass on the Federal League No. 403 for 1914, for which please accept my thanks.

I have been a member of the American Golf Association of Advertising Interests for the past two or three years, however this summer is the first time that I have had an opportunity to attend the Tournaments. I have had the pleasure of meeting a great many of the members during the past eight or ten years as well as meeting a great many of new ones during the recent Tournament at Hot Springs, so on my return home I sent out some of the Star-Telegram's annual passes which we have been issuing for a number of years, and while I received a great many nice letters in acknowledgement of the passes which we sent out, wish to state that your acknowledgement in shape of an annual Federal League pass was naturally the most substantial, and while I did not have the pleasure of using the pass during the Season, I will retain it as a souvenir, as I have every reason to believe that the Federal League is here to stay, and you have my best wishes for a successful season for 1915.

Very truly yours,

Vice Pres. & Gen'l. Mgr.
