HARRISON 510.
Cable Address "UTZ" Chicago

Dear Carter: I am treasuring yours of August twenty three, nineteen-fifteen and reading it every once in awhile - as it sounds mighty good to me -

I'm not going to attempt to answer it just now as I'm just dropping a line to tell you I had the pleasure of showing this district to your friend Stewart of Chi. when he came thru last

That you'd like to see some of the old stuff -

mouth piloting 150 farmers
for the Santa Fe Ry Co -

When I learned that he knew
you, the information he got
about Orange groves was
small and about Carter was
large - He seemed to enjoy it
but of course, only in proportion
to the extent of his acquaintance.

He seemed to remember quite
vividly the time he slept in
your night shirt -

He gave me a handful of
Cherry Circle Cigars becoz of you,
I'm sure. It reminded me
of a little poem I once read -
"Say! Chimney I'd be as happy as
a clam, if I only was de feller
dat me mudder thinks I am"
I thought Carter's just that same -
Hastily but sincerely A.L.
