Mr. W. C. Durant, President,  
Chevrolet Motor Company,  
57th Street & 11th Avenue,  
New York City, N. Y.

Dear Mr. Durant:-

Several days ago I was in your office and we were discussing the matter of Chevrolet stock. You were good enough at the time to state that if I was interested in the stock to let you know how much I would want. This, of course, would depend entirely on the price at which I would be able to buy it.

It was just a combination of circumstances that kept me from being with the Committee in New York the time they called to see you in regard to the establishment of Assembling Plant in Fort Worth. Otherwise I should have been in with them on the stock, which you so generously secured for them at that time. I have great confidence in the Chevrolet Company under your management, and feel that owning stock in this Company would be an exceptionally good investment. Therefore, I would be very glad to take some stock for both Mr. Wortham and myself. Mr. Wortham is associated with me in the publishing of the Star Telegram. We are also both stockholders in the Chevrolet Company of Texas, and of course are already boosters of the Chevrolet car.

So if you will be good enough to let me know just how much stock you would be willing to let us have and at what price

I will then be able to let you know just how much I would be able to take. I am leaving Chicago Saturday night for Texas and will probably be in Fort Worth Wednesday afternoon, at which time I hope to have the pleasure of hearing from you. Assure you that I will appreciate whatever consideration you may give the matter in my behalf and assure you that you can rely on Fort Worth and the Star Telegram in keeping the Cheverolet Company before the Texas people. Either wire or write me care of the Fort Worth Star Telegram.

Thanking you, I am,

Yours very truly,
