H.D.Miles,
Internal Revenue Income Tax Inspector,
Box 915,
Fort Worth, Texas.

Dear Mr.Miles:-

After you left the office this morning I made another search through my basket and found the correspondence and cancelled check on the Ed Farmer stock transaction. It was on Thursday, February 27, 1913 that I close the deal with Mr. Farmer to buy the stock. I have the check and correspondence interchanged at that time and if this will be of any benefit to you will be glad to furnish it to you.

Trusting this will be satisfactory, I am,

Very truly yours,

Vice Pres.& Gen'l.Mgr.,
