

Those who work in the offices desire to thank the faculty for cooperation in the Registration procedure. At best these early days in school in the fall are difficult. It is only by the heartiest cooperation of all members of the staff that we arrive at all.

Make sure you have a white "Admit-to-class" card on every pupil attending. This is our only means of checking the rolls. If you discover in your classes students without cards send them immediately to the Business Office to clear their account.

Several adjustments in rooms have been made to accommodate classes. If you are not satisfied with your present room situation please report to the Registrar and the best possible adjustment will be made.

Kindly preserve and re-read the Faculty Bulletin of last week for it contains much detailed information and routine very essential to good administration.

Any item for the Faculty Bulletin are to be in the Registrar's Office by 9:00 A.M. Thursday to appear on that date.

Be sure to turn in your absentees by Monday morning, September 22, at 8:00 A.M. and every succeeding Monday morning at that hour in keeping with Cabinet action given more in detail in last week's Faculty Bulletin.

A Memorial Chapel Service will be held in Brite College of the Bible tomorrow at 11:00 A.M. in memory of Brother L. C. Brite. All members of the faculty are invited. President Sadler, Dean Hall, Dr. Anderson and President Emeritus Waits will each bring a brief word.

Mrs. Sterling Pool will be the new Assistant in the Registrar's Office to replace Miss Elizabeth Martin who has accepted a position with the Defense Board.

With reference to MIMEOGRAPHING: As usual, mimeographing service is available to the faculty for official business. Syllabi and such are to be distributed through the Bookstore at 1¢ per page, not given to the students free of charge.

Have your secretary cut the stencil if possible. Deposit stencil in the office of the secretary to the Dean where the finished work will be left for you. Please allow sufficient time, especially on large jobs.

The stencil, ready for printing, should be in the office by 1:00 p.m. each day except Tuesday and Wednesday, when it should be in by 12:00 noon. No mimeographing is done on Saturday.
