

T. C. U. FACULTY BULLETIN

Vol. XI11.

September 25, 1941

No. 3

WE WANT TO LIST IN THE T. C. U. WRITERS' EXCHANGE all books, pamphlets, and articles written by members of the T. C. U. faculty. If any members of the faculty have written such items during 1941 please make a note of it and send the note to the Registrar's Office, that these items may be compiled and placed in the hands of Mrs. Bryson, who is editing the "The Writers' Exchange".

THE FIRST ISSUE OF THE FACULTY BULLETIN contains the urgent request backed by Cabinet action that all teachers turn in each week their report on absentees on each student on a separate card. Only a few teachers thus far have heeded this request, and those who are sending in their records are sending them in on most any day during the week. You are aware that it is doubly difficult for the Registrar's Office to handle this data when it comes in at odd times. The record for any given week must be in the Registrar's Office not later than 8 o'clock on the morning of Monday the week following. This seems to be a reasonable request and we will depend on the faculty to meet this in reporting the absences for the current week not later than 8 o'clock on the morning of September 29, and on similar Monday mornings.

YOU UNDERSTAND THE CLASSIFICATION COMMITTEE is making a continued study of the absentee situation on request of the cabinet to ascertain accurate data for adjustments in our present policy, and the only way this data can be secured is through the unanimous help of every member of the faculty. We will thank you for regular and prompt reports. Delinquency cards are available in the Registrar's Office for this purpose.

PRESIDENT SADLER will speak in Brite College of the Bible Chapel this week at 11 A. M. Friday, September 26; on the subject, "A Minister's Scale of Values".

PLEASE PRESERVE all copies of the faculty bulletin for reference--announcements regarding various activities on the campus, administrative details, other matters of interest will be found in the faculty bulletin from time to time.

COUNSELLORS OF FRESHMEN will be called together for a redistribution of the incoming freshmen October 8 in room 205, Main Building. Please put that date on your calendar, and be on hand at 4 O'clock.

THE COMMITTEE ON INVITATIONS FOR THE PRESIDENT'S RECEPTION on October 3 requests that faculty members leave at Dr. Waits office any names (with addresses) that they would like added to the permanent list.
