

JUST TO REMIND YOU

ALL FACULTY MEMBERS are urged to re-read the notations on the examination schedule rather carefully and to follow them in detail. The Registrar's Office will be grateful for your thoughtfulness.

COOPERATION IN REPORTING ABSENTEES is greatly appreciated. Now we want you at the close of the semester to list in the column to the extreme left of the grade report sheet the total number of absences on each student for the semester, that we may re-check both grades and absences to form a basis for a new policy. We feel quite sure you will do this without further request from the Classification Committee.

BY CABINET ACTION RECENTLY, all members of the faculty are requested to refrain from any utterances regarding the war that would cause misunderstanding or would be misleading. Any statement of policy is to proceed from the office of the President. We feel sure all will understand.

MR. JOHN BARCLAY OF AUSTIN will speak on "Russian Morale" in the University assembly at eleven o'clock Wednesday February 11th. Mr. Barclay returned from Russia just before the beginning of the present war and has something very interesting to say.

READ ONCE AGAIN the Policy of the Committee on Academic Honesty appearing in last week's Bulletin and follow this in giving the final examinations.

THE FINE RESPONSE T.C.U. FACULTY MEMBERS are making to the Red Cross Appeal is quite encouraging.

ATTENTION IS CALLED TO TEACHERS AND EDUCATORS, on the Administration bulletin board announcing the attractions of the Annual Educational Congress of Optometrists of the Southwest in Fort Worth, February 1-2-3 at the Texas Hotel.

MRS. TRACY, T.C.U. POSTMISTRESS, invites faculty members and students to buy their Defense Bonds and Defense Stamps through the T.C.U. Post Office. You will find this a convenient plan, and you will thus build up our T.C.U. station.
