

LECTURE

Thursday night, February 26, 8 PM, Dr. Edward Christian Lindeman, teacher, author and lecturer, will speak in the Auditorium. The subject will be:

"The Responsibility of Education in War".

The faculty is asked to encourage their students and friends to attend this public lecture, which will be sponsored by the T. C. U. Lecture Committee and the Institute of Public Affairs.

POLICY

A policy on absences has been passed by the Classification Committee and will be voted upon by the Cabinet February 26th. Watch for this in the Faculty Bulletin of March 5th.

POST

If every faculty member will post grades on a bulletin board near his office shortly after grades have been assigned it will be of great service to the students and will eliminate needless requests at the Registrar's Office.

ENROLLMENT

According to the best figures available we lost about 60 students at the end of the first semester and gained over 70. This is encouraging. The total figures for the school year will be about the same as last year.
