

REMINDERS

The Schedule for Final Examinations was issued in the Faculty Bulletin last week. Please follow carefully the suggestions for cooperative administration.

Get out your academic costume and get it in shape for the Commencement, to be held June 1st.

Registrations for the Summer of 1942 and the long session of 1942-43 are coming in satisfactorily. Urge your students to clear up these registrations this week that the days ahead may be devoted to other matters equally pressing. Department heads, please take the initiative in registering your majors. Counselors, please contact your counselees. Where the major has been chosen send them on to the proper department head. If no major has been chosen register them yourself, now. Thank you for giving your attention to this matter this week.

If the mistakes and errors which were made in the Summer Catalog and the 1942-43 Catalog are confusing, please call at the Registrar's Office and we shall be glad to give the needed information.

YOU ARE INVITED TO ATTEND

The lectures Committee and the Fine Arts Faculty are presenting FRANCIS MACMILLEN in a violin concert on Wednesday Evening, May 20th at the University Christian Church.

The T.C.U. Faculty will honor Mr. Macmillen with a reception in the church parlor following the concert in lieu of the last faculty meeting of the year.

At the request of Katharine Cornell, theater representative of the Navy Relief Society, the Dramatic Club is sponsoring LETTERS TO LUCERNE, a three act play, on May 19th at 8:15 o'clock in the auditorium. The entire proceeds from the play, a tender and moving drama of the war, will go to Navy Relief. I take this means of asking the faculty for their co-operation in a venture that can succeed only if it has the support of faculty and student body alike. The admission is fifty cents. Won't you help to make T.C.U.'S gift representative?

Katherine Moore Norton
