

COMMENCEMENT SEASON, 1942

Suggestions For The Faculty

The events of the Commencement season can have their fullest significance only when the members of the Faculty share fully in them. After careful planning, and consultation with President Sadler and Dean Hall, the following suggestions are presented to aid you in your participation in these exercises.

1. WE DESIRE YOUR PRESENCE AT BOTH BACCALAUREATE AND COMMENCEMENT. Please come in academic costume if possible, but COME even if you do not have the costume.
2. For Baccalaureate, meet on the main floor, Administration Building, at 10:15 sharp, Sunday morning, May 31. Procession will start at 10:40 sharp.
3. For the sake of uniformity, if it is convenient, gentlemen are asked to wear light colored suits under their academic garb, and white shoes.
4. Similarly, Ladies are asked to wear white dresses under their academic garb, and white shoes.
5. In case of heavy rain, please wear dark clothing and shoes.
6. For Commencement, meet on the campus outside the library at 7:15 sharp, Monday night, June 1. In case of rain, meet in the Administration Building. The same suggestions regarding dress apply as to Baccalaureate.
7. Specific directions regarding procedure will be given you when the procession is formed. Procession starts at 7:55 sharp.
8. Gentlemen remove caps for prayer and wear caps at all other times.
9. Please read these suggestions carefully, follow them explicitly, and we can do our part in making this THE BEST COMMENCEMENT T.C.U. HAS EVER HAD.

THE BLOOD BANK

The Tarrant County Blood Plasma Bank is a most worth while project and should have full support of all thoughtful members of our faculty. Whether your donation be in blood or in money, remember that no one will come to solicit your subscription. In view of the fact that our School of Medical Technology will process the blood to plasma, T.C.U. has more than average interest in the project.

Let us not have another Pearl Harbor in this community. Send your gift at once to Mr.W.L. Pier, Ft.Worth National Bank.

John J. Andujar, Jr.

NOTE FROM THE PRESIDENT

It would be sincerely appreciated if all members of the faculty would march in the procession at our Commencement exercises next Monday. We would like for the faculty members to be in the procession even if they do not have academic paraphernalia. The procession will form at 7:30 Monday evening and will start promptly at 8:00 o'clock.

M.E. Sadler, President
