No. 8

Yesterday afternoon in a meeting of the Counselors of Freshmen, together with the Deans of men and women, the entire list of Freshmen was divided among the counselors for guidance throughout the year. These names were assigned on the basis of interest, acquaintance, ready contact and other considerations. A card will be sent from the Registrar's Office advising each student, giving the name of his Counselor. These Counselors are urged however not to wait for the student to come to them, but to make immediate contact.

Co-Chairmen
