THANK YOU!

That's a strange beginning for the first page of the Faculty Bulletin, is it not? Nevertheless, we do thank you for your consistent cooperation which we are confident you will give during the trying days of Spring Registration.

The registration schedule reads like this:

Graduates and Seniors,	Jan. 11-16
Juniors and Sophomores,	Jan 18-23
Freshmen	Jan. 25-30

By urging your majors and counselees to complete their registrations within these days you will spread out the work for all of us. The student should come to the Registrar's Office first and take to you his course card for your O.K. Thanks again!

When your students come to you the first day of February, the opening class day of the Spring semester, they should bring their class cards. Expect them on that day. There is no reason for delay on the part of the student by reason of the above suggested schedule.

We thank you again for preserving the Faculty Bulletin of last week with the Examination Schedule printed on page one.

Remember the grades on the first semester are to be turned in not later than noon, Wednesday, February 3rd. Turn them in much earlier if possible. Report Failing students immediately after the examinations to speed up registration.
