A FOLLOW UP ON REPORTS FROM LAST WEEK

Last week all teachers were asked to report on a group of students attending on probation. When these reports came in the information was summarized, a meeting of the Deans was called, action was agreed upon, and appropriate disposition has been made of each situation. We thank you for your cooperation in this piece of service indicative of the personal attention T.C.U. gives her students.

REPORTING "F" GRADES

By error this request was omitted last week. We called for a special report on students attending on probation, and these reports are all in hand. Beyond that list there are doubtless a number of students who are failing their work thus far this semester. Please report their names on a card or a sheet of paper tomorrow, Friday, March 19th. Your promptness will assist the Deans and counselors in follow up procedures.

REPORT ON ABSENTEES

A few teachers are very faithful in reporting absences as they occur. This helps the Deans of Men and Women to follow up before it is too late. Please let every teacher report at this time the names of the students, and number of absences this semester where you feel danger is involved. Good administrative procedure calls for immediate action.
