

REGISTRATION PLANS IN BRIEF

1. Urge your students who plan to attend the Short Term-- June 7-26--to register now. Remember, please, they can register for only one course. Each course will meet three hours daily and class work must begin on the morning of June 7 at 8:00 o'clock, so these registrations are to be completed now, and not later than June 5.

2. All department heads are requested to work out with their majors a full program for the Summer-Fall semester with the student's degree plan (Petition Sheet) in hand. This may be done to best advantage now before they get away, for many will not register for the Short Term. Registration routine for June 29, 30 cannot be announced now.

3. The Winter and Spring semesters will be included in the General Catalog issue now in the hands of the printer. Department heads will be called shortly to read proof on this copy. We cannot arrange for registration on these courses until fall.
