ADMINISTRATIVE ITEMS

Third Week Report: Each teacher is requested to report the names of V-12 men whose work is so poor as to indicate probable failure in the end. These names will be accumulated and compared and the students observed.

Add these names to the V-12 absence report.

Signed: Dean Colby D. Hall.

Calls for V-12 trainees during the school day should be made through the Registrar's office as is done for civilian students. A teacher should address a Naval student just as he does a civilian student.

Lt. Decker is the "Commanding Officer".

Students desiring to drop courses now in progress may do so this week ending July 24 without prejudice to their grades. If a course is dropped beyond this date, the grade must be indicated by the teacher on the drop card and in the event of an "F" it will count against the student in figuring grade points. Please announce this to your classes.

It is not possible to take up a Summer-Fall course now, for credit. The time for registration has long since passed. The total enrollment figures reached a high figure, 802. This includes
