

## ADMINISTRATIVE IMPERATIVES

1. The Navy V-12 men will appear in your classes without "Admit to Class" cards again for the fall portion of the Summer-Fall Semester. Check closely to make sure they are in the right classes.
2. All civilian students must present to the teacher an "Admit to Class" card. Permit no one to remain in class without this card in the teacher's hand. To allow these to remain in class without credentials means they are carrying a course without having made proper arrangements with the Business Office.
3. Remember that probably 125 or more new Freshmen will come to the Campus September 13th. Only one day will be devoted to registering them for the process is not complicated this time. There will be some confusion in the halls, however, on that, as you can well imagine. Make the best of it and everybody will be happy, even the Registrar.
