At 10 o'clock Friday morning, October 8, there is to be a special assembly in the University auditorium and all students and teachers are requested to be present. Dr. Gus Dyer, formerly professor at Vanderbilt University and noted speaker, will address the assembly. ### NOTICE TO FACULTY CONCERNING STENCIL WORK:

Unless your Final test stencils are in the cabinet for stencil work two weeks before the date that you want your stencil out, we cannot be responsible for them. The fact that so much additional work is due about that time makes this step compulsory.

### CATALOGUE MATERIAL

All corrections to be made in the winter ( or winter-spring) schedule as it now appears in the catalog were due in Dean Moore's office by noon, September 30. A correct schedule for all departments is necessary for orderly registration for the winter semester. Heads of departments are asked to be sure that their corrections, if any, were exact and complete.

### STAFF DIRECTORY

If you have not received a staff directory please call at the President's Office for your copy.
