## CONCERT

The University Symphony Orchestra will play a concert in the T.C.U. Auditorium, Sunday afternoon, October 17, at 3:30 o'clock. The public is cordially invited. The program will include some unusual features.

## REGISTRATION IS PROCEEDING SATISFACTORILY

Registration is the key word on the Campus this week. With faculty and students working together much time can be saved later and many errors avoided.

Keep the good work going until every student now in attendance is registered. Heads of departments will please urge all in their classes and particularly their majors to complete registration by Friday of this week.

Detailed instructions appear in the Faculty Bulletin of last week. A sheet of guidance was sent to each department head with petition sheets for his majors. Be sure to return all unused Petition sheets to the Registrar at 5 P.M. Friday, the 15th.

## REGISTRATION OF NEW STUDENTS

This preliminary word is being given that members of the faculty may plan their time in recognition of the head.

1. All students entering T.C.U. for the first time will report at 9:00 A.M. October 29th.
2. Department heads are needed to assist in registration of these new students. Please be in your offices all day Friday, October 29 and until noon the 30th.
3. Counselors (see list of names in last week's Bulletin) are needed to help register new Freshmen on these same two days - October 29 and until noon on the 30th.
4. Winter semester classes begin at 8:00 A.M. Nov. 1.
