POST GRADES

Teachers will please post their grades for the semester near the door of their offices. Some have been sending the students to the Registrar's Office for grades. Our staff is too limited to spend the time required to do this. If the grades are posted by the teacher it will save time for all concerned. Your cooperation on this point will be appreciated.

GRADE REPORTS

Please turn in grades for the semester October 28th and your response will meet with the heartiest approval.
