HAYDN FESTIVAL AND CONVOCATION

It would be appreciated if the Faculty would call our students' attention to the Haydn Festival to be held on our campus December 5, 6, and 7. We would appreciate it if all Faculty members and students could participate.

Special attention is called to the Convocation to be held in our Auditorium Sunday evening, December 5. Representatives from colleges all over the Southwest have been invited to participate and we would be especially happy to have a large representation from our own group. Details of this program will be provided later.

HAYDN FESTIVAL

M. E. Sadler, President
Texas Christian University

The faculty is cordially invited to attend all programs of the three day festival beginning Sunday afternoon, December 5th, at 3:30.

I earnestly request your special support for the convocation, Sunday evening at 8:00, in the auditorium. We are not asking a full faculty procession. However, representatives from a number of colleges in Texas will be here to hear our guest speaker, Paul J. Weaver, of Cornell University. We are very anxious that these guests shall not have to look forth upon empty seats.

T. Smith McCorkle

Mid-semester grade reports are due not later than noon, Friday, December 24. The work on which a grade is based should include at least one announced examination given before the Christmas Holidays, the time to be determined by the teacher. Class work is to be rigidly maintained according to schedule until 1 p.m. on Thursday, December 23. Christmas holidays are to be as listed in the general catalogue; that is, from 1 p.m., December 23 to 8 a.m., January 3.

All freshmen who entered T.C.U. in November, including Navy V-12 men, are instructed to meet in the Brite College Auditorium (McPherson Room 301) at 4:30 p.m. Tuesday, December 7, to take the freshman psychological test. Dr. Richardson will be in charge. Please make this announcement at least once to each of your freshman classes.
