No. 28

The American Red Cross Blood Donor Service is asking T.C.U. to recruit volunteer blood donors from the faculty and student body. If you are eligible and willing to make this valuable contribution, please make your appointment through Miss Shelburne or through the Student Council so that your name may be listed on the T.C.U. Roll of Honor. You will find literature and necessary blanks in the office of Dean of Women or at the Student War Fund booth in the main hall.

The next grade report on the Navy V-12 men will be due January 29, 1944. This report will include all averages of "D" or "F" for the period beginning November 1, 1943, and ending January 29, 1944. Each faculty member having a grade of "D" or "F" for one or more Navy V-12 men will please give this information to the head of his department in time for the head of the department to make a report to Dean Moore's office on January 29, 1944, by 11 A.M.

Heads of Departments having no "D" or "F" grades for Navy V-12 men will please report "No D or F grades for Navy V-12 men."
