No. 37

### PLEASE REMEMBER

Be sure to preserve the "Admit to Class" cards for you will note the absences of each student are to be recorded thereon and that the grade report at mid-trimester is also to be turned in on these cards. If all will follow this reasonable request, there will be no problem when the data is called for in about four weeks.

A preliminary report on probation and failing students will be called for in two weeks. Be sure to watch carefully in the meantime for the failing student and put forth every effort to discover the cause of failure then try to remedy it before it is too late. The Deans will be glad to confer with teachers regarding any student who seems delinquent.

If the teachers will report to the Registrar's Office, on cards available for this purpose, students who have been absent for three consecutive class periods, we will assist in the follow-up.

### IN ANSWER TO MANY QUESTIONS

There will be no Easter holidays. You will recall the winter trimester was lengthened two or three days in cooperation with the Navy V-12 Unit on our campus. The Spring Trimester therefore began March 3 after a few days vacation. Classes did not begin until March 6 thus giving civilian students five days vacation. It is therefore imperative that no holidays be granted at Easter time.

### SCREENING TEST FOR TUBERCULOSIS

Miss Wakefield, our University nurse, is urgently requesting that faculty members participate in the preliminary tuberculosis testing program on the T.C.U. campus next week.

If the test indicates further examination advisable, the person will be so informed, but without compulsion to follow the advice. The place will probably be in Brite College. Women will be received Tuesday morning, April 4, any time after 9:30. Men will be received from 1:00 to 3:30 Wednesday afternoon, April 5.
