### SUPPLEMENTAL GASOLINE

Many filling stations are not aware of the fact that the old renewal form is invalid. Renewals and first applications now call for the same form, the new OPA Form R-535. Your Committee is temporarily out of copies, but some filling stations have them.

### REMEMBER THE FACULTY MEETING

A unanimous response of the faculty is expected in the meeting called for Friday, 4:00 P.M. by President Sadler. The date is June 16 and the place, the amphitheater. Among important matters for consideration will be plans for Commencement and for registration procedures at the opening of the new trimester.

### PLEASE KEEP IN MIND

In the Faculty Bulletin of last week the list of graduating Seniors and Graduate students was included. Please remember to return that sheet properly filled out to the Registrar's Office by noon, June 22.

Please stay with the regular schedule for the final examinations as announced in the Faculty Bulletin. Teachers who break over and release students ahead of time create problems of which they are not always aware. Then again, we are working on a shortened semester (16 weeks - trimester) and every day counts.
