AN IMPORTANT NON-POLITICAL ISSUE

On July 22nd, 1944 in the special municipal election you will be called upon as a voter to give your sanction to an increase of the tax levy for the Fort Worth Public Library from three to four cents on the \$100 tax valuation. This increase is already being given by the City Council. The vote in this instance is not a political matter but rather making legal the present practice. This will mean much to the Library in which all members of the T.C.U. faculty are interested.

Several members of our faculty are on the Library Board and of course are vitally interested in this matter.

It has been suggested that each faculty member go over his Class Admission cards, now that the classes are settled, and see that the cards are properly filled out as to

Name of student

Such a check now will save time and possible errors at the rush period when grades have to be submitted.

FROM DEAN MOORE:

1. Teachers will please hold classes to the end of the class period. Not to do so has two unfavorable results: a lessening of instructional efficiency, and a disturbance of classes still in session.

2. Heads of Departments will please collect from members of their staffs names of V-12 students making D or F and submit to Dean Moore's office on August 4.
