ENCOURAGING NEWS

The total enrollment of the Day classes for the Fall term of eight weeks reveals several interesting figures. Here they are-

New students, August 28	176
Returning students (not in attendance during the Summer)	157
Other Civilian students continuing through the Summer-Fall	403
Navy V-12 for the Summer-Fall	<u>228</u>
Total Day School enrollment	<u>964</u>

Evening College figures are not available at this time.

PLEASE CHECK YOUR CLASS ROLL

The only way the administration can keep accurate records is through the combined, cooperative effort of all members of the teaching and administrative staff.

Please check the roll in each class at this time to make sure you have an "Admit to Class" on each student and that each card is stamped by the Business Office. If you do not have a card on a certain student, send him or her immediately after class to the Business Office for it means that the account has not been settled.

Remember to retain your class cards. They will be called for at the end of the Fall Term. Keep an accurate record of absences on these cards. Be sure to report to the Registrar three consecutive absences, or an accumulation of absences threatening a passing grade in each course.

Teachers, by posting grades, will be granting their students a distinct favor and will help to avoid unnecessary inquiries regarding grades at the Registrar's Office.

S. W. Hutton, Registrar

Application blanks for the "A" gasoline book can be obtained in the Mathematics Office. They should be sent to the Tarrant County Ration Board, 500 Main Street, at once.
