Vol. XV

September 21, 1944

No. 57

All faculty members are requested to go to the Business Office right away and pick up their coupon books for the Foot Ball games, then take them to the Stadium in exchange for tickets. Do it Now!

THE STORY OF THE "LOST SHEEP"

"Teachers should report to the Registrar's Office the name of any student who is absent from three consecutive class periods or has an accumulation of absences which endangers his record. The student should arrange with the teacher in advance for a necessary absence, or explain it immediately on return."

(See page 28, 1944-45 Catalog)

All reports from teachers on the above policy are passed on to the Dean of Women or Personnel Director for personal attention.

Where absences are reported by the student on account of illness or some other acceptable reason the list is shown in the Faculty Bulletin that the teachers may understand the situation.

S.W.Hutton, Registrar

BULLETIN BOARDS

All bulletin boards in the Administration Building have been renewed. Plenty of space has been left near the office doors where grades may be posted by the teachers at the end of each term or trimester. It is very important that the teachers post grades. It will save time in the long run and will give the students the desired information at the earliest moment.
