

The Board of Trustees of Texas Christian University in its meeting on March 3, passed a resolution, on the motion of Mr. Dewey Lawrence, attorney of Tyler and an alumnus of T.C.U., expressing its hearty appreciation to the administrative officers, the faculty members and employees of T.C.U., for the wonderfully successful and happy years on the campus in 1944-45, despite the deplorable condition of the world about us.

This was heartily voted by the entire Board in such a way as to indicate their genuine appreciation of the cooperation and efficient efforts of those who are conducting the work of the institution on the T.C.U. campus.

GRADE REPORTS on the Winter Trimester and REGISTRATION for the Spring Trimester have registered a higher degree of cooperation on the part of teachers than ever before. The administrative offices are deeply grateful for this fine response. We are off to a good start for the Spring with over 600 returning civilian students, about 130 new civilian students, besides the Navy V-12 men.
