CONCERNING WEDNESDAY, MARCH 21:

Two hundred and fifty high school band students will be on the T.C.U. campus all day March 21. Activities in the Auditorium during the morning will provide sound effects which may reach classes in session in the Administration Building. Instructors of classes affected are asked to accommodate themselves to the noise for that day as a cooperative measure in taking care of the clinic guests in the only way possible under the circumstances.

Signed:

Jerome Moore, Dean  
Add-Ran College of Arts and Sciences

SPECIAL NOTICE:

Please check your class rolls carefully to make sure you have an "Admit to Class" card marked "paid" for each student in class. This is exceedingly important.

If you discover a student whose card is not in your hand send the student to the Business Office immediately after class.

REMEMBER:

"I" grades must be removed on or before April 2. Please announce in your classes: The student is to get permit from the Registrar's Office where he will be given instructions on the appropriate routine. Do not accept make up work from a student until the permit is in your hand.
