ABSENCE DATES ON REPORT CARDS

All "Class Admission and Report Cards" must be marked "paid" by the business office, and must be submitted by the instructors to the Registrar's office at mid-trimester and at the end of the trimester along with the grade report sheets. We are now undergoing serious difficulties in our relations with students, parents, and veterans' contract information on the line which reads "Dates of Each absence". We know this error is unintentional, and that all will supply the absence dates when it is understood they are necessary for several purposes. In case of students who quit coming to class for any reason it will be sufficient to state "did not attend after (date), provided all absent dates previous to that one are listed.
